**Dr. Hilary L. Hunt's new book "Peace in Spirituality" is a brilliant read that reveals how religion came to be the cause of the world's chaos.**

*Hilary L. Hunt, M.D., an author who served in the military and then practiced orthopedics until retirement, has completed his new book, "Peace in Spirituality": an illuminating discussion that brings knowledge and an understanding of how religion causes the world's problems and hands solutions that will guarantee lasting peace.*

Hilary writes, "Throughout recorded history, mankind has recognized a higher power which has exerted a controlling influence on their lives. Most have developed schemes of honoring or appeasing that power in hopes of gaining favor. Such efforts are known as religion. In general, religions, particularly the Abrahamic religions, have denigrated women and sex to the level of slaves and are the cause of all evil, including mental illness. That attitude set the stage for both internal and external hostilities which have prevailed to this day. By defining the essence of spirituality, this writing offers a foolproof plan for permanent peace. Prior reading of my book, *Wilderness Cry*, would be the most beneficial in interpreting this thesis."

Published by Covenant Books of Murrells Inlet, South Carolina, Dr. Hilary L. Hunt's new book shares a thorough understanding that presents a solution to the chaos and provides a way for lasting peace.
